In accordance with 30 CRF 256.26, the MMS will hold public hearings to receive comments and suggestions relating to the EIS.

The hearings will be held on the following dates and times indicated:

*October 26, 1995*

University Plaza Building, 949 East  
36th Avenue, 3rd Floor Conference  
Room, Anchorage, Alaska, 12:00  
p.m. (noon)

*October 30, 1995*

Kisik Community Center, Nuiqsut,  
Alaska, 1:00 p.m.-5:00 p.m.

*November 1, 1995*

Community Building, Kaktovik,  
Alaska, 2:00 p.m., 5:00 p.m., 6:00  
p.m.

*November 2, 1995*

North Slope Borough, Assembly  
Chambers, Barrow, Alaska, 7:30  
p.m.

The hearings will provide the Secretary of the Interior with information from Government agencies and the public which will help in the evaluation of the potential effects of the proposed lease sale.

Interested individuals, representatives of organizations, and public officials wishing to testify at the hearings are asked to contact the Regional Director at the above address or Ray Emerson by telephone (907) 271-6650 or toll free 1-800-764-2627 by October 20, 1995.

Time limitations may make it necessary to limit the length of oral presentations to 10 minutes. An oral statement may be supplemented by a more complete written statement which may be submitted to a hearing official at the time of oral presentation or by mail until November 20, 1995. This will allow those unable to testify at a public hearing an opportunity to make their views known and for those presenting oral testimony to submit supplemental information and comments.

Comments concerning the draft EIS will be accepted until November 20, 1995, and should be addressed to the Regional Director, Minerals Management Service, Alaska Region, 949 East 36th Avenue, Anchorage, Alaska 99508-4302.

Dated: August 10, 1995.

**Thomas Gernhofer,**

*Associate Director for Offshore Minerals  
Management.*

### **Electronic Data Interchange (EDI) in the Royalty Management Program**

**AGENCY:** Minerals Management Service, Interior.

**ACTION:** Notice of an EDI Presentation.

**SUMMARY:** The Minerals Management Service (MMS) is giving an Electronic Data Interchange (EDI) presentation in New Orleans, Louisiana, on September 28, 1995.

**FOR FURTHER INFORMATION CONTACT:** Ms. Barbara Y. Matthews, Systems Management Division, Minerals Management Service Royalty Management Program, P.O. Box 25165 MS 3140, Denver, Colorado, 80225-0165, telephone numbers (800) 619-4593 or (303) 275-7036, FAX number (303) 275-7099.

**SUPPLEMENTARY INFORMATION:** MMS is offering an EDI presentation at no cost to companies and interested parties that intend to implement or pilot EDI with MMS. The EDI presentation will be held the day following the American Petroleum Institute (API), Petroleum Industry Data Exchange (PIDX) Conference at the same location, which is the New Orleans Hilton Riverside and Towers Hotel, 2 Poydras Street, New Orleans, Louisiana. The API PIDX Conference is scheduled for September 25-27, 1995. The EDI Presentation instructors are MMS employees of the Royalty Management Program, Systems Management Division.

**DATES:** The EDI presentation is Thursday, September 28, 1995.

**LOCATION:** New Orleans Hilton Riverside and Towers Hotel, 2 Poydras Street, New Orleans, Louisiana, Phone: (504) 561-0500.

Agenda: Morning Session 9:00 a.m.-11:30 a.m.

Instructor: Mr. Ron Hatton  
Subject: MMS EDI activities, capabilities, current status and implementation planning and schedules.

Afternoon Session 1:00 p.m.-4:00 p.m.

Instructor: Mr. Tim Allard  
Subject: EDI technical issues related to mapping and transmittal of regulatory data to MMS via EDI.

All EDI Presentation attendees will be provided copies of the MMS EDI Implementation Guides for Royalty forms: MMS-2014, Report of Sales and Royalty Remittance; MMS-3160, Monthly Report of Operations; and MMS-4054, Oil and Gas Operations Report Part A—Well Production (OGOR-A), Oil and Gas Operations Report Part B—Product Disposition (OGOR-B), Oil and Gas Operations Report Part C—Product Sales From Facility (OGOR-C).

If you are planning to attend this EDI Presentation, please leave a message for Barbara Matthews at the telephone and FAX numbers in the information contact

section of this notice no later than September 15, 1995.

Date: August 17, 1995.

**James W. Shaw,**

*Associate Director for Royalty Management.*

## National Park Service

### Notice of Availability of the Final Development Concept Plan/Amendment to the General Management Plan and Final Environmental Impact Statement for Crater Lake National Park, Oregon

**SUMMARY:** Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969 (Public Law 91-190, as amended), the National Park Service, Department of the Interior, has prepared a Final Development Concept Plan/Amendment to the General Management Plan/Environmental Impact Statement (DCP/FEIS) that describes and analyzes a proposal and three alternatives that meet immediate and long-term needs at Crater Lake National Park regarding employee housing, completion of the ongoing redevelopment at Rim Village, and maintenance, administration, and storage facilities.

The Draft Development Concept Plan/Amendment to the General Management Plan/Environmental Impact Statement (DCP/DEIS) was released for public review on November 29, 1994 (59 FR 228), and the public comment period closed February 2, 1995. During this comment period, three public meetings were held and written comments were also received. The DCP/FEIS contains responses to the comments received and modifications to the document as needed in response to the comments.

The proposal, which was developed in response to public and agency comments on the DCP/DEIS, calls for removing the visitor parking at Rim Village and constructing a new parking structure 800 feet off the rim with a shuttle bus system to provide year-round access to the rim; creating a new roadway on which visitors would travel from the parking facility to Crater Lake Lodge in shuttle buses; partially restoring to natural conditions a one-acre maintenance yard near park headquarters with the remainder of the site converted to an employee recreation area; developing a 98-person employee dormitory and associated parking, roads, pedestrian path, seasonal employee recreational vehicle (RV) sites, a maintenance building and group campsites at Mazama Village. New opportunities for placement of facilities

originally proposed at the South Entrance were identified through the public review for the DCP/DEIS. Consequently, a separate planning effort would be undertaken to determine the most appropriate location for construction of these facilities, including employee housing (approximately 20-30 houses, 15-20 RV sites, and a second 98-person dormitory to replace the Rim Village dormitory), and additional support and storage facilities.

Three alternatives were considered, in addition to the proposal. The no-action alternative would implement the 1988 DCP and include development of two day-use parking areas to service Rim Village with associated connecting trail and new road connecting facilities on the rim, and a new employee dorm for 60-65 people. The South Entrance focus alternative would construct a new employee dormitory at Mazama Village and would relocate park headquarters, additional employee housing, and support/storage facilities to the South Entrance. The Mazama focus alternative would concentrate most development at Mazama Village, including a new employee dormitory and support/storage facilities, with additional employee housing at the South Entrance.

Major impact topics assessed for the proposed action and the alternatives include earth resources, surface water, groundwater/water supply, water quality, air quality, vegetation, wildlife, special-status animal species, ecosystem processes, cultural resources, visitor experience, employee commuting and delivery of services, and land use and zoning.

**SUPPLEMENTARY INFORMATION:** The no-action period on this final plan and environmental impact statement will end 30 days after the Environmental Protection Agency has published a notice of availability of the DCP/FEIS in the **Federal Register**. For further information, contact: Superintendent, Crater Lake National Park, Post Office Box 7, Crater Lake, OR 97604-0007; telephone (503) 594-2211.

Copies of the DCP/FEIS will be available at Crater Lake National Park Headquarters, as well as the following locations: Multnomah County Library, 801 SW 10th, Portland, OR; Salem Library, 585 Liberty SE, Salem, OR; Klamath County Library, 126 South 3rd, Klamath Falls, OR; Eugene Library, 100 W 13th, Eugene, OR; Jackson County Library, 413 W Main, Medford, OR; Deschutes County Library, 507 NW Wall St., Bend, OR; Josephine County Library, 200 NW C, Grants Pass, OR;

Douglas County Library, Courthouse, Roseburg, OR; Office of Public Affairs, National Park Service, Department of the Interior, 1849 C Street NW, Washington, DC; and National Park Service, Seattle System Support Office, 909 First Ave., Seattle, WA.

Dated: August 14, 1995.

**Rory D. Westberg,**

*Acting Deputy Field Director, Pacific West Area, National Park Service.*
